Meet and Greet Airport Parking from Gatwick North and South Terminals

May 2005

We all know how stressful it can be getting ready to go away on a business trip. There's always that added inconvenience of driving to the airport, parking your car, and getting to the Airport Terminal. How much time are you going to waste out of the office? Will the bus be late? What if it's raining? Not the best start to your journey!

'Help-Me-Park', the new valet meet and greet airport parking Company, operating from both the North and South Terminals at Gatwick Airport, can take away that pressure. The service is perfect for corporate travellers with busy agenda's that want to keep their travel time to a minimum. Help-Me-Park provides airline travellers with the ultimate stress free start - and finish - to their business trip.

Customers leave their car with a Help-Me-Park staff member at the airport terminal, before moving quickly to check in. Upon their return, the customer is greeted at the airport terminal. Help-Me-Park also enables travellers to amend their booking during their trip. Once the customer is at their destination, if they need to cut short or extend their stay, all the customer needs to do is log into the website, or give the Help-Me-Park team a call, and they can adjust their return date for whenever they like.

Sean McCarthy, Managing Director of Help-Me-Park commented, 'Our mission at Help-Me-Park is to remove the stress and worry of parking your car when travelling abroad by providing the most convenient and reliable service available.'

- Unique Parking Promise Guarantee: If for any reason Help-Me-Park do not meet and greet on time, the customer will be refunded the cost of their parking.
- Standard Company security checks ensure customers' vehicles are delivered and collected safely.
- All vehicles are parked at a securely monitored facility, ensuring safe storage for the duration of the car's stay.

EDITOR NOTES

With 26 Million people due to travel through Gatwick Airport in 2005, and the number of travellers using Gatwick Airport set to increase by 10% every year, Help-Me-Park is keen to raise awareness of the availability of a valet meet and greet parking service.

The service ensures that travellers do not need to worry about transport to and from the airport and car park, and there is no need for customer's to carry luggage or ferry small children backwards and forwards. The outcome is simple - minimal stress and inconvenience and a greatly reduced travel time.
