

# WIN the ultimate pre & post holiday experience!

## Meet and Greet Airport Parking from Gatwick North and South Terminals

November 2005

Although very exciting, we all know how stressful it can be getting ready to go skiing. There's always that added inconvenience of driving to the airport, parking your car, and transporting children, luggage, skis and snowboards to the Airport Terminal. Will the bus be late? Will the children behave? Will you be able to carry everything? Not the best start to your journey!

However, help is at hand! Valet meet and greet airport parking Company, Help-Me-Park, is offering one lucky reader the ultimate hassle-free start – and finish – to their next holiday, with one week's free parking from Gatwick North or South Terminals. No bus transfers, no lugging heavy bags and awkward equipment, no juggling of children, no queues, no lost car in the car park, no getting wet in the rain... the list is endless.

Sean McCarthy, Parking Manager at Help-Me-Park commented, 'Our mission at Help-Me-Park is to remove the stress and worry of parking your car when travelling abroad, by providing the most convenient and reliable service available.
