Meet and Greet Airport Parking from Gatwick North and South Terminals

December 2005

We all know how stressful it can be getting ready to go on a winter sports holiday. There's always that added inconvenience of driving to the airport, parking your car, and transporting children, luggage, skis and snowboards to the Airport Terminal. Will the bus be late? Will the children behave? Will you be able to carry everything? Not the best start to your journey!

'Help-Me-Park', the new valet meet and greet airport parking Company, operating from both the North and South Terminals at Gatwick Airport, can take away that pressure. Help-Me-Park provides airline travellers with the ultimate hassle free start - and finish - to their holiday or business trip. The service is perfect for families with young children, people with heavy bags or sports equipment, corporate travellers, and people with disabilities.

Customers leave their car with a Help-Me-Park staff member at the airport terminal, before moving quickly to check in. Upon their return, the customer is greeted at the airport terminal. Help-Me-Park also enables customers to amend their booking during their trip. Once the customer is at their destination, all they need to do is log in to the website or give the Help-Me-Park team a call, and the customer can adjust their return date for whenever they like.

Sean McCarthy, Parking Manager of Help-Me-Park commented, 'Our mission at Help-Me-Park is to remove the stress and worry of parking your car when travelling abroad by providing the most convenient and reliable service available.'
