Valet Meet and Greet Airport Parking from Gatwick North and South Terminals

May 2005

We all know how stressful it can be getting ready to go on holiday or on an important business trip. There's always that added inconvenience of driving to the airport and parking your car. Are you going to get there on time? Will the bus be late? What if it's raining? Not the best start to your journey!

Help Me Park, the new valet meet and greet airport parking Company, operating from both the North and South Terminals at Gatwick Airport, can take away that pressure. Help Me Park provides airline travellers with the ultimate hassle free start - and finish - to their holiday or business trip. The service is perfect for families with young children, corporate travellers, people with heavy bags or sports equipment, and people with disabilities.

Customers leave their car with a Help Me Park staff member at the airport terminal, before moving quickly to check in. Upon their return, the customer is greeted at the airport terminal. Help Me Park also enables customers to amend their booking during their trip. Once the customer is at their destination, all they need to do is log in to the website or give the Help Me Park team a call, and the customer can adjust their return date for whenever they like.

Sean McCarthy, Parking Manager of Help Me Park commented, 'Our mission at Help Me Park is to remove the stress and worry of parking your car when travelling abroad by providing the most convenient and reliable service available.'
